The rules as amended are legally in order subject to the remarks made below.

2. Rule 4.- Rule 4 as it stands is vague and should be made more precise. Clause (b) of sub-rule (1) states that 12 members are to be elected by the taluka development associations, It appears from the draft G.R. at p. 135 that the right of electing members is not to be conferred on all the taluka development associations. The particular associations which are to elect members and the number of members which each association is to elect should be mentioned in the rule.

3. Similarly it should be mentioned in clause (c) of sub-rule (1) that the co-operative societies and banks which will elect members will be selected by the Assistant Registrar of Co-operative Societies in consultation with the Collector (vide para.3 of draft G.R. at p-135).

4. Item 4 in the R.D. draft rule 4(2) refers to the Deputy Director of Agriculture, N.D. or in his absence, the District Agricultural Officer, East Khandesh. The provision is not clear. The words"in his absence " are vague and it is not clear whether the District Agricultural Officer, East Khandesh is to act in the absence of the Deputy Director of Agriculture, N.D. from the district. So also, the provision in item 5 of the same sub-rule relating to District Co-operative Officer being a member in the absence of the Assistant Registrar of Co-operative Societies is open to the same objection. The references to these two officers, namely the District Agricultural Officer, East Khandesh and District. Co-operative Officer have been omitted from the revised draft rule. If necessary these two officers may be appointed as ex-officio officers in addition to those referred to in the rule. Alternatively the following new sub-rule may be added

to rule 4:-

"9(3) If the Deputy Director of Agriculture, N.D. or the Assistant Registrar of Co-operative Societies, Jalgaon is unable to attend any meeting of the Board, the District Agricultural Officer, East Khandesh, or the District Co-operative Officer, East-K respectively may attend such meeting and exercise at such meeting ... the rights of a member."

5. Rule 12.-The wording of rule 12 has been slightly changed in view of the provisions of Rule 17(2).

6. Rule 22.-Provision has been made in the rule for the Commissioner's approving the estimate subject to such alterations as he may deem fit to make

7. Rule23 .- The rule has been amended so as to provide that no action shall be taken on any resolution or order until it is approved by the Commissioner.
